Tag Bankers/TWEX Group have been mandated by A Burger King Franchisee to seek investor interest in the following proposal.

THE OPPORTUNITY: The opening of three Burger King restaurants in Marseilles --Vieux Port – Grand Littoral – Bonneveine by a highly regarded professional with 27 years experience

By combining the Flagship site at Vieux Port with the other two restaurants Grand Littoral being in a shopping centre and Bonneveine a Drive-Thru operational savings can be made.

PROPOSAL: To finance the acquisition of three Burger King restaurants available now in the Vieux Port area of Marseilles.

Funders are required today as the offer will not last for long in that location.

Burger King is a profitable and worldwide brand and self sustainable. The franchisee was offered a Burger King flagship location based on his experience and the trust of the central management.

The franchisee has more than 27 years of experience in this kind of business. His responsibility, besides marketing, has been to increase the market share while managing many units at the same time. Getting a Burger King flagship is pretty exceptional as it is not readily given to all franchisees. It is rather a mark of confidence from the Burger King leadership.

Vieux Port in Marseilles is a central location. In order to bring several restaurants, you need a central one. The three locations will allow to cut down costs by pooling together expenses and also providing employees advancement opportunities in their career within the group

FINANCING OF THE PROJECT:

Investment required: 1,250,000 € Euros repayable in five annual instalments.

The projected turnover from year one to year five with annual incremental increase from 8,650,700 € Euros to 9,210,464 € Euros.
